The Arab Organization for Agricultural Development Celebrates Its Golden Jubilee

The Union of Arab Chambers participated in this remote event on the occasion of the celebration of the golden jubilee of the Arab Organization for Agricultural Development on the Arab Agriculture Day, which was held under the slogan "Towards Arab agricultural integration to sustain food security and overcome contemporary challenges", it highlighted the role of the Arab Organization for Agricultural Development in the field of agricultural development and Arab food security, and the role of joint Arab action organizations in Arab economic and agricultural integration and in facing contemporary challenges. During the occasion, pioneering initiatives and models for joint Arab investment in the agricultural field were reviewed. The celebration included the launch of the Arab Program for Sustaining Food Security, which aims to reduce poverty and malnutrition, improve agricultural resource management, promote Arab agricultural integration, develop the Arab countryside, and improve agricultural knowledge management. The celebration included speeches by ministers and leaders of agriculture in the Arab countries, as well as honoring many personalities who contributed to strengthening the role of the organization and Arab food security.

The Delegation of the Federation of Gulf Chambers meets the Jordanian Prime Minister

The Jordanian Prime Minister, Dr. Bishr Al-Khasawneh, received at the Prime Ministry headquarters, the heads of the delegations participating in the Jordanian Gulf Economic Forum.

He expressed his hope that the Jordanian Gulf Economic Communication Forum would contribute to strengthening economic and trade cooperation relations between the two sides and transferring the strong brotherly relations between the Gulf and Jordanian private sectors to broader horizons that would bring great common benefits to citizens, the economy and governments, and reflecting a distinct model for Arab-Arab economic relations.

The United Arab Emirates signed 16 joint cooperation agreements with the Sultanate of Oman, on the sidelines of the visit of UAE President Sheikh Mohammed bin Zayed Al Nahyan to the Sultanate.

The agreements included the signing of a memorandum of understanding between the Ministry of Energy and Minerals in the Sultanate of Oman and the Ministry of Energy and Infrastructure in the United Arab Emirates. In the field of cooperation on transportation and logistics, a memorandum of understanding was signed between the Ministry of Transport, Communications and Information Technology in the Sultanate of Oman and the UAE Ministry of Energy and Infrastructure, to establish a joint company to implement and operate a railway network, linking Sohar Port to the UAE national railway network.

A memorandum of understanding in the field of maritime transport was also signed between the Ministry of Transport, Communications and Information Technology in the Sultanate of Oman and the UAE Ministry of Energy and Infrastructure. A memorandum of understanding in cooperation and investment in the fields of industry was signed between the Ministry of Commerce, Industry and Investment Promotion in the Sultanate of Oman, and the Ministry of Industry and Advanced Technology in the UAE.

The Ministry of Agriculture, Fisheries and Water Resources in the Sultanate of Oman and the Ministry of Climate Change and Environment in the UAE also signed a memorandum of understanding on cooperation in the fields of agricultural, livestock, fisheries, and food safety.

The two countries also signed projects and memoranda of understanding in higher education, media, and cooperation in exchanging information related to money laundering and terrorist financing, and others to extend a railway network line from Sohar port to Abu Dhabi, and projects related to securities and stock markets.
